

CHANGE MANAGEMENT

Driving change is the key to digital buyer success!

Effectively managing change will ensure that an organization's technology investments will achieve their desired business outcomes. By thinking about change in parallel with their business vision, digital buyers foster an environment that ensures their vision is achieved. Valorem embraces Prosci's ADKAR change management approach that focuses on how people embrace change (Awareness, Desire, Knowledge, Ability, and Reinforcement). Valorem extends ADKAR by focusing on 5 key tactics to successfully manage change:

Audit & Review

Change Planning

Preparation

Launch

Sustain

Valorem's approach to digital transformation is a comprehensive strategy that focuses on your highest-value business goals and aligning them to change management and adoption roadmaps to guide you through a smooth and efficient deployment.
